

BONNER COUNTY AMATEUR RADIO CLUB SUNDAY NIGHT NET-7:00pm

QST, QST, QST. This is the Bonner County Amateur Radio Club Sunday Night Net for (Month, Day, Year). My name is _____, and call sign is _____ and I'm the Net control operator this Sunday. This Net meets every Sunday night at 7:00 p.m. and is open to all licensed amateurs who would like to check in. If you would like information about the club and its activities please go to our website at www.K7JEP.org. This Net is run through our club repeater on HooDoo Mountain at a frequency of 145.490 with a (-) negative offset and a 136.5 tone.

As always, you may interrupt this Net at any time if you have emergency traffic.

The Bonner County Amateur Radio Club is a 501c(3) non-profit club and meets the second Wednesday of every month at the VFW Hall on the corner of Pine and Division in Sandpoint, Idaho, at 7:00 p.m. The purpose of this Net is to test our radio's and other pieces of equipment and to pass along any announcements both local and regional or other information beneficial to our club members.

We will now start our check-in's with any early check-in's followed by member check-in's alphabetically, alpha thru zulu, by communities followed by any guests.

(Closing Net)

We are now closing the Bonner County Amateur Radio Club Sunday Night Net and would like to thank the repeater owners for their continued support and use and all of you who have taken the time to check in and be a part of this Net. Thank you and good night!

This is (call sign) clear and turning the Net back to the repeater owners.
